

# Crossways Day Camp

Dear Youth Volunteer –

Our week of Crossways Day Camp is coming quickly. The planning team would like to take a few minutes to thank you for volunteering to be a part of Day Camp and also let you know a little bit more about your role during the week.

Your role during Day Camp is an important one. You will act as a Jr. Shepherd of a class. A Crossways counselor and an adult volunteer from our church will also be in your class. The Crossways counselor will do most of the in front jobs, teaching the Bible study, teaching the arts and crafts, and leading the recreation. Your job then is to build personal relationships with the children in your class. The philosophy behind this is the fact that the Crossways counselors will leave after the week is over. We hope that the relationships you build with the children will last much longer than this week. You are very important in the process of transformation in the children's lives.

During Day Camp get involved with the children during the lessons, arts and crafts time, and recreation time. Get to know your class. You are the most important contact the children will have in subsequent weeks at church. Your nurturing, loving and caring spirit will reach both the children and their families.

Thank you for volunteering,

The Day Camp Planning Team
